

# Ivana Cliffords

I am a team player who is focused on continued education and growth. I thrive in dynamic and fast paced environments because that is when my organizational and logistical skills are utilized best. I enjoy software development because I appreciate precision, cleanliness, and efficiency. I take immense pride in expanding my role in the team's overall success and I'm very motivated to quickly resolve challenges.

## EXPERIENCE

### **FreeWater, Austin — Early Contributor**

May 2018 - Present

Designed and built [www.freewater.io](http://www.freewater.io) and applied third party analytics to a landing page to track our beverage engagement, traffic, location, and more.

Took part in logistic functions including warehousing, inventory, and distribution.

Helped shape the charitable side of the business

### **Trader Joe's, Austin — Operation Assistant**

October 2019 - October 2021

Logistic coordinator of the most challenging section in the store - interpersonal and inventory organization

Onboarding and training new employees

Brand ambassador / customer experience

### **Kotor SUP, Kotor Montenegro — Founder**

March 2017 - December 2017

I started the first stand up paddle board rental business in the small country of Montenegro. We sold the business within the first year of operation.

### **Save the Refugees, Belgrade Serbia — Co-founder**

September 2015 - February 2017

Save the Refugees was a non-profit organization that distributed aid along the Balkans Route throughout Northern Greece and Serbia. We helped more than 10,000 people during the first 18 months of operation.
